13 COINS STEAKS

The boutique Royal Ranch operation in the heart of the Columbia Basin is revolutionizing the way cattle are raised and brought to market. A regenerative ranching model, inspired by the highly successful Royal Family Farm & Dairy, results in beef with a consistency and flavor profile that's truly unmatched.

Royal Ranch cattle are born and nurtured on fertile land under a modest climate. 90% of their feed is grown directly on the farm and ranch. No added hormones or antibiotics. The wide variety of seasonal inputs assures the marbling that we crave occurs throughout their full life cycle – not just the final third. This results in wonderful consistency in texture, tenderness and flavor.

We charbroil our steaks over high heat, finished with a demi-glace and 13 Coins steak butter.
